

# Central States Communications Exercise

## Interoperability Exercise

The Central States Communications Association is proud to present the 5<sup>th</sup> Central States Communications Exercise. This event has grown to be the **LARGEST PUBLIC SAFETY COMMUNICATIONS EXERCISE IN THE COUNTRY.**

The event is focused on giving responders real world training and experience that they can use to better address any needs that may come up on incident.

Unlike most trade shows, vendors are encouraged to come out onto the exercise field to showcase their equipment, and let participants put hands on in a more meaningful way. This allows for manufacturers to hear real time feedback from the “boots on the ground” stakeholders.

Many of the participants aren't just responders, but are decision makers for their agencies in the purchase of communications equipment from all levels of local, state, tribal and federal government agencies as well as NGOs.

This event is not possible without our vendor sponsors. This event is provided without a registration fee to our responder community to enable even more participation.

# Sponsorship Levels

*There are a limited number of opportunities at each level. Spaces will fill up fast*

## **Premier Sponsors (2 spots available)**

**\$20,000**

This level affords you the most visibility, as our Premier Sponsors, affording your logo on signage throughout the event, and speaking presentations at all meals on your specific day (either Wednesday or Thursday). In addition, your company will be presented on our website for the next 2 years as one of our Premier Sponsors. With this level, you also receive 3 tables, up to 9 commercial attendees and a copy of the attendee roster (except for those that opt out)

## **Tuesday Social Hour (1 spot available)**

**\$15,000**

This level sponsors our Tuesday evening social hour and hospitality time. Your logo will be prominently displayed around the hospitality hall, and your company will be given a speaking presentation during hospitality time. With this level, you will also receive 3 tables, up to 7 commercial attendees, and a copy of the attendee roster (except for those that opt out)
